**Your Donation in Perspective**

By helping to build facilities and provide educational materials for the Wellspring Academy you are investing in the lives of people. The money you give will impact the lives of the Rwandan children that attend Wellspring Academy in a meaningful way. It will contribute to a sustainable school that is able to continually provide for orphaned and needy children to receive a great education. It will help give teachers the resources and training they need to be effective agents of change within the classroom.
